2. They will then discuss the benefits of using these talents as well as the reasons why they have not used the talents
3. Participants will identify what using this talent might give them, and what it will take for them to use this talent publicly

Turn the lights on

Every night I rush to my bed
With hopes that maybe I'll get a chance to see you
When I close my eyes I'm going out of my head
Lost in a fairytale, can you hold my hands and be my guide?

Clouds filled with stars cover the skies
And I hope it rains, you're the perfect lullaby
What kinda dream is this?

You could be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you
(Turn the lights on)

Sweet dream or a beautiful nightmare
Somebody pinch me, your love's too good to be true
(Turn the lights on)

My guilty pleasure, I ain't going no where
Baby long as you're here I'll be floating on air
'Cause you're my

You can be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you
(Turn the lights on)

I mention you when I say my prayers
I wrap you around all of my thoughts
Boy you're my temporary high

I wish that when I wake up you're there
To wrap your arms around me for real
And tell me you'll stay by side

Clouds filled with stars cover the skies
And I hope it rains, you're the perfect lullaby
What kinda dream is this?

You could be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you
(Turn the lights on)

Sweet dream or a beautiful nightmare
Somebody pinch me, your love's too good to be true

(Turn the lights on)

My guilty pleasure, I ain't going no where
Baby long as you're here I'll be floating on air
'Cause you're my

You can be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you
(Turn the lights on)

Tattoo your name across my heart so it will remain
Not even death can make us part
What kind of dream is this?

You could be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you
(Turn the lights on)

Sweet dream or a beautiful nightmare
Somebody pinch me, your love's too good to be true
(Turn the lights on)

My guilty pleasure, I ain't going no where
Baby long as you're here I'll be floating on air
'Cause you're my

You can be a sweet dream or a beautiful nightmare
Either way I don't wanna wake up from you

Either way I don't wanna wake up from you

Lyrics I'm Still Standing Elton John
Song Lyrics For I'm Still Standing by Elton John

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win
Well look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing you just fade away

Don't you know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus you'd be a clown by now

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

Crazy

~ Patsy Cline

Crazy I'm crazy for feelin' so lonely.
I'm crazy, crazy for feelin' so blue.
I knew you'd love me as long as you wanted
and then some day you'd leave me for somebody new.

Worry, why do I let myself worry
wondering what in the world did I do.

Crazy for thinking that my love could hold you.
I'm crazy for trying
and crazy for for crying
and I'm crazy for loving you.

Worry, why do I let myself worry
wonderin' what in the world did I do.

Crazy for thinking that my love could hold you.
I'm crazy for trying
and crazy for for crying
and I'm crazy for loving you.

Set:
Scene One

Actor 1: Is sitting in front of a picture (of his lost love) looking very sad and tearful. The music starts and playing and he pretends that he's dancing (an imaginary love comes out of the back of the stage and joins in the dance) when the music stops the love goes back stage again and the actor remains on stage

Crazy I'm crazy for feelin' so lonely.
I'm crazy, crazy for feelin' so blue.
I knew you'd love me as long as you wanted
and then some day you'd leave me for somebody new.

Actor 1:
Who's Crazy? Am I crazy? Was she just here or did I imagine her.

Actor 2 – Negative side: (comes from behind stage saying)
Get over it, Yea you're crazy. She does not want to be with you. Did you take your meds today? Of course this is now going to turn into a depression.
(Returns to behind the curtain)

Actor 1:
Maybe I'm just feeling depressed about this whole situation. I long for the smell of her perfume.

Actor 2 – Negative side (comes from behind the stage saying)
Stop thinking about her and stop with the depression, it's obsession
(returns to behind the curtain)

Actor 1:
Everything makes me think about her. Sounds, pictures, music - help -
I need help

Actor 3: Positive side (comes from behind the curtain saying)
You're over reacting. This is a situational reaction and you're being ridiculous it's just love.
(Returns to behind the curtain)

Actor 1:

Love? What should I know about love? Have you ever waited for the phone to ring, to hear her voice, to be close again, long for the smell of her perfume? I'm so passive-aggressive. One minute I'm over her then the next minute I'm call her again.

Actor 2 – Negative side (comes from behind the stage saying)

Maybe that's why your love left you. You were too demanding
(Returns to behind the curtain)

Actor 1:

I put her on a pedestal - I did everything for her - boy was I an idiot!!
There I go again being so negative about myself and my future. Will I ever find someone else? Do I need to get some help?

Actor 3: Positive side (comes from behind the curtain saying)

Negativity is not healthy, you can change
(Returns to behind the curtain)

Worry, why do I let myself worry
wondering what in the world did I do.

Actor 1:

What did I do? Should of, would of, could of. Again – here we go is it obsession or depression?

Actor 2: Negative side (comes from behind the stage saying)

You're all wrong – it's self doubt. Why can't he get his act together?
(Returns to behind the curtain)

Crazy for thinking that my love could hold you.
I'm crazy for trying
and crazy for for crying
and I'm crazy for loving you.

Actor 1:

Do I really need a diagnosis for being in love? Then why am I crying?

Actor 3: Positive side (comes from behind the curtain saying)

No you don't need a diagnosis. You're crying because you're feeling were hurt. Love is not a rational thing.

(Returns to behind the curtain)

Worry, why do I let myself worry
wonderin' what in the world did I do.

Actor 1:

No I did not do anything wrong. My head says one thing and my heart says something else. This is a normal reaction that happens to everyone when two people break up. He/She's a jerk for not wanting me. Look at me I'm smart, beautiful/handsome, and very creative. I am not crazy just heart broken.

Crazy for thinking that my love could hold you.
I'm crazy for trying
and crazy for for crying
and I'm crazy for loving you.

✓ And as we wind on down the road
our shadows taller than our soul
there walks a lady we all know
who shines white light and wants
to show
how everything still turns to gold
and if you listen very hard
the tune will come to you at last
when all are one and one is all
to be a rock and not to roll.
- - - *Led Zeppelin, "Stairway to Heaven"*

All you touch and all you see,
Is all your life will ever be.
- - - *Pink Floyd, "Breathe"*

All of us get lost in the darkness
Dreamers learn to steer by the
stars
All of us do time in the gutters
Dreamers turn to look at the cars
- - - *Rush "The Pass"*

Amazing grace! How sweet the
sound
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

Through many dangers, toils, and
snares,
I have already come:
'Tis grace has brought me safe thus

Do you miss me tonight?
Are you sorry we drifted apart?
Does your memory stray to a

When I kissed you and called you

Do the chairs in your parlor seem
empty and bare?
Do you gaze at your doorstep and
picture me there?

 And all I see is him and me
 forever and forever
 - - - *"On My Own" from Les
 Miserables*

in your eyes
 the light the heat
 in your eyes
 I am complete
 in your eyes
 I see the doorway to a thousand
 churches
 in your eyes
 the resolution of all the fruitless
 searches
 in your eyes
 I see the light and the heat
 in your eyes
 oh, I want to be that complete
 I want to touch the light,
 the heat I see in your eyes
 - - - *Peter Gabriel "In Your Eyes"*

✓ Is this the real life
Is this just fantasy
Caught in a landslide
No escape from reality
Open your eyes, look up to the
skies and see
I'm just a poor boy, I need no
sympathy
Because I'm easy come, easy go;
little high, little low
anyway the wind blows doesn't
really matter to me
To me
- - -Queen, "*Bohemian Rhapsody*"

It came upon the midnight clear,
That glorious song of old,
From angels bending near the earth
To touch their harps of gold:
"Peace on earth, good will to men
From Heaven's all - gracious King"

-
The world in solemn stillness lay
To hear the angels sing.
- - - Edmund Hamilton Sears, "*The
Angels' Song*"

✓ It's the heart afraid of dying, that
never learns to dance;
It's the dream afraid of waking,
that never takes the chance;
It's the one who won't be taken,
who cannot seem to give;
And the soul afraid of dying, that
never learns to live.
- - - Amanda McBroom, "*The
Rose*"

now
From up and down, and still
somehow

you again

It was your song that made me
sing

With God's great angels like you

Life it seems, will fade away
Drifting further every day
Getting lost within myself
Nothing matters no one else

Simply nothing more to give
There is nothing more for me
Need the end to set me free

Like a circle in a spiral
 Like a wheel within a wheel
 Never ending or beginning
 On an ever-spinning reel
 As the images unwind

 In the windmills of your mind.

 of Your Mind"*

 When you say the word MINE.

Oh how I love you

And sing me a song of my own.

I feel so crazy for you
~~that I wrote this song~~
to show you how crazy
I am about you.

Crazy I'm crazy for
feelin so lonely.

I'm crazy, crazy feelin
so blue.

~~I~~ I know when I met
you, my heart felt love.

I knew you'd love me
as long as you wanted

and then some day you'd
leave me for somebody
new.

Now I feel sad and bad
Gee, you'd didn't know
I still love you with
all my heart still.

Worry, ^{why} ~~who~~ do I let myself
worry
wondering what in the
world did I do.
So far I been worry not
let my love go so far in
being crazy about you.
Cause you found someone
new so let's think about
being not depression but
let's let it be obsession.

Actor B Again - here we go
is it obsession or depression

Actor C You're all wrong - it's self
doubt.

Actor D Self doubt could be
a reaction of not being
in love or depression.

Actor E So let's Depression?
Depression could make
me feel about everything
love with you

Actor F So don't worry about
depression with our connection
love let's get back together
again.
